INNOVATION RESOURCE HUB

INNOVATE. COLLABORATE. ACCELERATE.

In partnership with govmates, ATI has launched the Innovation Resource Hub to provide you access to the critical tools you need to thrive. We understand the needs of non-traditional defense contractors, and we've built an ecosystem of resources to help you succeed. This program is at no cost to members.

WHAT IS GOVMATES?

govmates is an innovative teaming partner platform for government contractors. govmates combines technology and the human element to help federal contractors win more work.

BENEFITS

Helping you to grow your business and support the mission:

- Efficiently identify teaming partners for procurement opportunities within the OT consortia and beyond;
- Gain access to resources that are critical for growth;
- Leverage our ecosystem of tools and experts who understand federal contracting.

MATCHMAKING

- Are you a non-traditional defense contractor? Create a profile for free at www.govmates.com. We rely upon your profile data to facilitate teaming introductions.
- If you are priming an opportunity, and have a teaming need to fill capability gaps, simply email ati@govmates.com with your search criteria, and we'll match you with best potential partners.
- Our algorithms incorporate relevance scoring to rapidly identify teaming partners whose capabilities align with your needs.

ECOSYSTEM RESOURCES

govmates provides a quick and easy way for members to find resources for:
